Hey Joe,

I think the best time for this call will be on Friday. Mark Chalfant will be occupied all day Thursday and I think his involvement is imperative. I'll be out that Friday (I'm taking the PE exam so I won't be able to call in unfortunately) but Victor will be able to fill in for me.

Thanks,
Rob

Hi, Denise:

The best time for me would be 8-9 am Thursday October 23. I have another meeting already scheduled for 10-11 am. I will be out of the office Friday October 24, but I can call in if that is the best time for everyone else.

Thank you!

Joe
